Television licence discount

You can get 50% off the cost of your TV licence if either:

- you’re registered blind or severely sight impaired
- you live with someone who is registered blind or severely sight impaired

If the person who is registered blind is not the current licence holder for your address, you’ll need to transfer the licence to their name.

You can either:

- transfer the licence online (https://www.tvlicensing.co.uk/cs/update/your-licence/index.app?authorizationFilterPageName=authorization-view&WT.ac=home_ytvlo_signin) - you'll need your licence number
- contact TV Licensing to transfer the licence

How to apply

To claim the TV licence concession for blind people, you need a certificate from your local council or ophthalmologist. The certificate must state that you're registered blind or severely sight impaired.

In Northern Ireland, the certificate or document must be issued by or on behalf of a Health and Social Services Trust. On the Isle of Man, it must be issued by or on behalf of the Department for Health and Social Services.

Post a copy of the certificate along with your licence renewal notice - if you have one - and a cheque or postal order for the licence to:

> TV Licensing
> Blind Concession Group
> Bristol
> BS98 1TL

Remember to include your name, address, phone number and TV licence number, if you have one.
